Hello Gunny Monaco:

I am reaching out to you because you need to know about this amazing event that is taking place on May 10th at Fairleigh Dickinson University Florham Campus. Our Community Salutes of North Jersey is a recognition ceremony for high school seniors enlisting in the military. As of today, I have the names of close to 250 high school seniors who will be taking the oath. 137 of those high school seniors are joining the Marine Corps. This is my first time organizing this event. This is the first time this event is taking place in North Jersey, it is very big in South Jersey. I felt our young men and women who are enlisting need to be recognized.

Would you and your brother be able to attend this event? Perhaps you can help me spread the word about these amazing young men and women. If you like I can call you and tell you all about how this event will run. Here is the website for Our Community Salutes: <http://www.ourcommunitysalutes.us/>
