

Covid-19 Announcement

1/1/2022

The Red Sleigh Inn will follow all guidelines from the state of NH regarding business operations for COVID19 safety.

In addition to our existing high standards of cleanliness will have enhanced our methods of cleaning and sanitation as per the recommendations put forth by the state and CDC. We also are following all appropriate guidelines put forth by the state of New Hampshire for employee and guest safety such as social distancing and altering our food service norms.

Our standard cancellation policy allows for a full refund up to 14 days prior to your stay, if you cancel within the 14 days of your booking you are responsible for 100% of the stay. We do not allow rescheduling of your reservation within 14 days of your booking.

For cancellations due to COVID19 we require proof of a positive test. If you are unable to provide a positive test but still wish to cancel your reservation you are responsible for 100% of your stay. We will do our best to accommodate trying to refund you the cost of your room by opening up the reservation vacancy, if we're able to refill the booking we will provide a full refund.

We sincerely thank you for your support, cooperation and continued business. We are excited to be able to reopen and offer our bed & breakfast to our valued guests.

Carly & CJ,
Red Sleigh Inn Owners
