

Wealth-Building Payout Plan

Evolving Pictures Shareholders will benefit from exceptional Asset Allocation Strategies, established to increase Passive Income, while Building Net Worth.

Evolving Pictures Shareholders will prosper, from an extremely lucrative ‘Three-Phase Payout’ Plan, designed to ensure that our Shareholders experience limited risk, and shortened financial exposure, while acquiring Short-term Profits, in addition to building Long-term Wealth.

Revenues from Contractual Agreements will be designated to achieve Phases 1 & 2.

Phase 1: Shareholders will be allocated 90% of **Evolving Pictures** Gross Company revenues until 115% of their initial investment is recouped.

Phase 2: Shareholders will be allocated 70% of **Evolving Pictures** Gross Company revenues until they receive an additional 85%, yielding a total 200% ROI. (\$10 million in revenues will be stipulated to satisfy Phases 1 & 2 of the ‘Three-Phase Payout’ Plan.)

Phase 3: Shareholders, after yielding a 200% ROI, will then enter Phase 3, where (as a whole) they will receive 10% of **Evolving Pictures** Gross Company revenues, distributed quarterly, for the life of our **Company**, or until **Evolving Pictures** is either sold or becomes publicly traded.

[Financial Remuneration](#) and [Ancillary Revenues](#) will be derived from all of **Evolving Pictures** current, as well as all [Future Projects](#), Acquisitions, [Intellectual Properties](#), Commercial Entities, and [much more...](#)

Our Shareholders will yield a 5% ROI on every \$1 million coming to **our Company**.
Our Shareholders will yield a 100% ROI on every \$20 million coming to **our Company**
Our Shareholders will also yield a 500% ROI on every \$100 million coming to **our Company**.
