

JIM DENISON & MIKE FANNING  
"IN HIS STEPS" TOUR OF ISRAEL  
SEPTEMBER 21-30, 2019

MESSAGE FROM JIM DENISON

We are pleased that you are considering our "In His Steps" pilgrimage to Israel, September 21-30, 2019. There is no other place in the world quite like the Holy Land. You will be profoundly impacted by this experience. To walk where Jesus walked and relive the events of God's word will enliven your faith and deepen your relationship with our Lord and King.

We have traveled together to Israel many times over the past 15 years. Mike lived in Israel for several years while studying biblical archaeology, then earned a Ph.D. in Old Testament from Baylor University. He leads numerous groups to the Holy Land every year. Mike knows the culture and the sites, and will take us to the most significant and memorable places in Israel.

Jim earned his Ph.D. in Philosophy of Ministry from Southwestern Baptist Theological University. He will focus on the biblical narrative of our pilgrimage and each day Jim will explain the biblical perspective of the both the Old and New Testaments sites that we will visit. Jim will help us understand how these biblical stories and sites help us Make Christ our King.

The itinerary below will give you information you'll need in considering the trip. You'll find our day-to-day itinerary, pricing package, and answers to your other questions. Mike is also available to discuss the details of the trip with you by phone or email.

The net proceeds of our trip will benefit the Denison Forum as we engage contemporary issues with biblical truth. It is our privilege to lead this study tour as a spiritual pilgrimage. Our prayer is that the Holy Spirit will draw us closer to God, encouraging and equipping us to make Christ our King.

We hope you'll join us!

Jim Denison

## Participant Guidelines

International travel, while rewarding, can be physically difficult. The itinerary may require early departures and late arrivals, occasionally resulting in a "long day" with varying meal times. We plan the tour itinerary to maximize the study experience, balanced with appropriate safety and physical comfort. The following information will help you understand the nature of this Bible study tour and the level of physical activity you can expect. Participants should be able to:

- Walk at least 3-5 miles on paved roads, both up and down hills.
- Walk for an extended time on cobblestone or uneven surfaces, as well as on gravel roads
- If you routinely need a cane to assist you in walking, you should consider not going on this trip
- Walk up and down stairs (both even and uneven) without assistance, often without railings
- Travel via airplane for 10 to 12 hours
- Travel via bus for up to two hours at a time. We will load/unload from a bus at least 4 times a day
- Personally carry all luggage through airport terminals without assistance (porters will be available at all hotels)
- Go through international passport control and customs without assistance

Should you need medical attention and/or hospitalization while on this trip, please know that your spouse or your emergency contact listed on this registration form is responsible for your care. Staff and/or personnel from MBF Enterprises will not be able to accompany you or stay behind should you need care. If need be, your spouse or emergency contact may need to travel to Israel to coordinate your care.

If you have any questions or concerns regarding the level of physical activity, please do not hesitate to contact Mike Fanning ([Mike@Mikefanning.com](mailto:Mike@Mikefanning.com)).

I (we) have read the participant guidelines and understand them in their entirety.
