BILLERICA MEMORIAL HIGH SCHOOL

THOMAS R. MURPHY, PRINCIPAL
KEVIN R. BROOKS, ASSISTANT PRINCIPAL A-K
CHRISTOPHER H. LORDAN, ASSISTANT PRINCIPAL L-Z
STEVEN N. BOTTARI, ASSISTANT PRINCIPAL GRADE 9

I would like to take this opportunity to personally thank the BMHS Athletic Association for their continued support of our student-athletes. At Billerica Memorial High School, we consistently instill in our students the importance of embracing all the opportunities afforded them during their high school career. The BMHS Athletic Association helps ensure that our students have the opportunity to participate as a member of an athletic program that strives to foster competitiveness, perseverance, sportsmanship and success.

Billerica Memorial High School has been fortunate to have so many students involved in athletics throughout the years. The quality and success of each program is attributable to many people, but without the assistance of the BMHS Athletic Association, we would not be able to support all our students' athletic endeavors to the level we are accustomed and they deserve.

Billerica Memorial High School and the BMHS Athletic Association share a common purpose of enhancing our students' high school experience through athletics. We rely on their assistance to provide opportunities that would not typically be available to them. Our seasonal recognitions, annual scholarships, and team wish lists would not occur without the support of the BMHS Athletic Association.

In recognition of the tireless energy, incalculable hours, and unwavering dedication to our student-athletes the BMHS Athletic Association has my deepest appreciation and gratitude.

Sincerely,

Thomas Murphy

Hello Families,

As the newly appointed Athletic Director at BMHS, I would like to welcome all of you to the athletic family as we begin the journey into the 2017-18 school year! It's with great **P.R.I.D.E** that I will serve the Billerica community and lead your children during their time at BMHS. Whether your child is a senior or freshman, it is my promise to support, mentor, and watch over his or her development as a student-athlete. Additionally, it is my goal to create a culture of trust, collaboration, and teamwork to benefit all athletic programs at BMHS. I hope you and your children are excited about the future of being a member of the athletic family. I am truly looking forward to working with everyone to make the high school experience special for the kids and families of our hometown!

Get to know your Athletic Director:

I am a lifelong resident of Billerica and have been employed by Billerica Public Schools for 18 years as a Business Education Teacher, DECA Advisor, and assistant to the Athletic Director. Additionally, I have worked as a camp counselor for the Summer Enrichment Program for pre-K to eighth-grade students of Billerica. I discovered my passion to work with children as a football and lacrosse coach at BMHS and Billerica Pop Warner prior to becoming a teacher. I have been extremely dedicated to the youth of Billerica for over 23 years by demonstrating my true passion for their well-being and personal growth. My wife and I are raising our three children here in our hometown of Billerica with great **P.R.I.D.E**.

Please join me in the journey to create a vision where the development of your children is **LIMITLESS!**

BMHS ATHLETICS VISION:

“Establish a culture in which individuals develop the desire to become a member of the BMHS athletic family and take great **P.R.I.D.E** in their membership.”

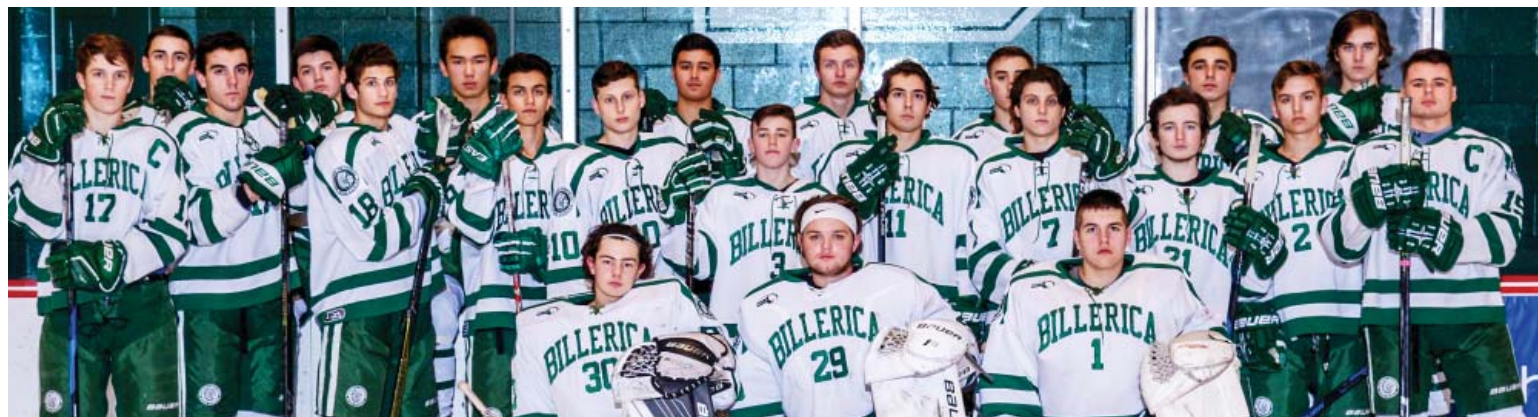

P.R.I.D.E.: “Personal Responsibility In Delivering Excellence”

A Final Thought: “It is amazing how much can be accomplished if no one cares who gets the credit.” - Coach John Wooden, UCLA

Sincerely,
JOHN MAGLIOZZI
Athletic Director
