

Every Victim, Every Time Crime Victim Conference April 21 – 22, 2020

Conference Speaker Proposal

The EVET, Inc. committee would like to invite you to submit a workshop proposal to present at the 13th annual Every Victim Every Time conference. This year's conference will be held in Bryan/College Station, Texas on April 21 – 22, 2020 at the Brazos County Expo Center.

The two-day conference will provide law enforcement, prosecutors, medical staff, teachers, social service agencies and mental health professionals an opportunity to learn valuable information about victim issues related to the criminal justice system. The goal of the conference is to address the wide scope of crimes against all victims and help positively influence professionals who work with victims on a daily basis. Advanced topics are preferred, as many professionals have attended this conference in the past.

The deadline for complete workshop proposals is December 31, 2019. Incomplete workshop proposals will not be considered during the selection process. The EVET, Inc. committee will notify selected speakers if their proposal is selected no later than January 31, 2020.

The EVET, Inc. is aware that some organizations do not have adequate travel funds for speakers. We have a very limited budget and would like to assist those who need it most. In accordance with the State of Texas policy, we will not pay any speaker travel cost until after the conference has concluded and attendance has been verified.

Please contact us with any questions or comments. We encourage you to also attend the conference as we will provide a wide variety of topics. Additional conference and registration information is available on our website at <http://www.evetbv.org>.

Sincerely,
