

OUTDOOR KITCHENS

Gas grills, Green egg cookers, pizza ovens, refrigerators and kegarators are only a few of the popular items that make outdoor kitchens functional and entertaining.

typically constructed from mortared stone and either granite or natural stone counter tops.

Widely acclaimed as the original American-designed ceramic cooker, the Big Green Egg was derived from an ancient clay cooking device known as a “kamado”. Originally a clay vessel with a lid, today’s EGG® is a modern ceramic marvel known for producing amazing culinary results for novice and experts alike for over thirty years!
