2020 WINTER EXPEDITION

CHAMONIX FRANCE

January 31, 2020 - February 8, 2020

2020 WINTER EXPEDITION CHAMONIX FRANCE

JANUARY 31, 2020 - FEBRUARY 8, 2020

Everyone loves winter sports and the beautiful mountains that you decide to take on every time you hit the slopes. But what could be better than experiencing some of the most breathtaking views of the French Alps while shredding some powder. Chamonix is a destination that's popular all over the world and all those who travel come for some of the most authentic alpine flare.

Chamonix has some of the worlds best peaks and glaciers for expert skiing but also is perfect for the shopping aficionado. Chamonix's village is flooded with tons of stores ranging from jewelry and designer boutiques to high performance outdoor gear shops. Also, outdoor enthusiasts can enjoy Nordic Trail, ski touring, winter paragliding and also can hit the town for some nightlife hot spots and even the casino! Anyway you decide, there will be something for each and every person to have an unforgettable experience.

CHAMONIX, FRANCE. Located just 90minutes from Geneva Airport, or 2 ½ hours from Milan Airport as an alternative gateway, Chamonix is the jewel of France. Chamonix is surrounded by mountains and offers a wonderful pedestrian only village that charms tourists with rows of shops, restaurants and bars.

For the skiers, Chamonix gives you the choice of skiing 3 different countries at once. With the purchase of the 6-day Mont Blanc Pass, you are able to ski the 4 resorts of Chamonix, as well as Courmayeur, Italy and even Verbier, Switzerland! This gives the skier over 130miles of groomed, marked runs. (And that's not even counting the off-piste stuff or the Mont Blanc Glacier run!)

For the non-skiers we have many options for day trips and excursions. Just a few are as follows:

- Aosta, Italy
- Annecy
- Geneva and Lake Geneva region
- Wine tasting Tours

If people prefer to be adventurous on their own, they can hop on the train and travel to a dozen different villages in any direction.

Take a look at Chamonix!:

LODGING OPTIONS

Sun Valley Inn

While the exterior of this historic structure is reminiscent of an Austrian ski chalet, the rooms, convention spaces, and restaurants have been given a modern update. For the last two years, The Ram, The Ram Bar, Village Station (formerly Bald Mountain Pizza), meeting rooms, and 97 guest rooms of the Sun Valley Inn have been redesigned, restored, and in some cases, completely remodeled (now available to book!). A new archway has also been constructed, opening up a pedestrian thoroughfare similar to the one that existed in the original 1937 Challenger Inn.

Most NBS activities at this location.

Porterage is included for guests arriving via NBS-scheduled buses/shuttles only.

LODGING OPTIONS

Sun Valley Village Condos

Sun Valley's condo vacation rentals form a convenient horseshoe around the village, putting each one within a leisurely 10-minute stroll from the Lodge and Inn. Each condo comes with a fully equipped kitchen and spacious living areas, making it a comfortable and easy home away from home. The "Village Condos" comprises several properties/buildings in the same neighborhood. The Atelier condos, Dollar Meadows, Villager, Snow Creek and a few others. Sun Valley Company's policy is not to disclose the actual buildings and unit numbers until arrival, therefore we are limited in the amount of detail we can provide.

Some sample photos are shown however these may not be the actual units reserved.

Porterage is included for guests arriving via NBS-scheduled buses/shuttles only.

LODGING OPTIONS

Sun Valley Cottages

Upscale custom private homes just east of the Sun Valley Lodge. Amenities vary unit by unit and, unfortunately, are difficult to describe with Sun Valley Company's policy of not disclosing the actual units until check-in. Suffice to say these will satisfy high-end travelers. Some sample photos are shown however these may not be the actual units reserved.

Porterage is included for guests arriving via NBS-scheduled buses/shuttles only.

Sometimes you just want to get away from the snow and enjoy a tour filled with warm weather, and plenty of Touring and excitement. And New Zealand certainly has that in bundles.
