Production Class

Record Books Due: 6/15, On-Line Interviews 6/19 & 6/20, Live Show 6/23

The production class is open to registered Dorper sheep. The goal is to showcase production females and their offspring, as applicable to sheep production, along with instilling good record keeping skills, money handling skills and public speaking in youth.

Record books of gains and associated costs to produce each animal will be kept and turned in no later than June 15th. The production books are done online through google slides. Once entries are received a link to the form will be emailed out. This should be used as a guide, pages may be added if more room is needed.

Interviews will be done prior to the event so that we can ensure the exhibitors receive the attention that the interview deserves. Meetings will be done over zoom, and schedule after June 15th, but prior to June 21st.

Final placing and determination of "Champion Producer" will be based off a combined score of the following:

- Live Show Ewe & Lamb (production based) 25%**
- Live Show Ewe & Lamb (placing in age division) 25%**
- Record Book 25%**
