March 25, 2020

Greetings All:

I hope this finds you and your family safe and well. We are all having to 'learn as we go' in managing to get through this COVID-19 pandemic. Schedules and routines have changed to the extent that our lives are not the same as a couple of weeks ago. One thing we know is that through it all, God is in control and promises to remain faithful to see us through.

One of my goals is to keep us connected as the body of Christ as Calvary United Methodist Church. To that end, we are working to communicate more effectively through a variety of resources to reach everyone. Not only do we want to stay connected spiritually by sharing God's word, but also to connect through prayer requests, glory sightings, and announcements. We aim to be supportive of one another and to assist those who have needs during this trying time. If you are in need of help with food or other necessities, please call me at the parsonage.

We need your help! Please let us know how best to communicate with you. We are asking you to provide cell numbers for texting, email addresses, whether you are on Facebook and use Messenger or if you prefer phone calls, US mail or some other form of social media.

We have initiated "Calvary Cares—Care Circles." Someone will be calling you each week to check in with you, share a scripture, and take prayer requests.

You can call me at the parsonage at 304-845-3654 or email me at [pastorannette13@gmail.com](mailto:pastorannette13@gmail.com).
