Please write an essay to help the committee determine your candidacy for the ODS Young Rider Scholarship. In your essay, describe your involvement in ODS activities, your equine experience, and your involvement in the dressage community. Tell us why the ODS Young Rider Scholarship should be awarded to you. Include how you intend to use the funds and how your experience will not only further your own dressage education, but how you will use it to benefit ODS and the local dressage community. If you have received a scholarship in the past, please give an accounting of how you have used the funds and what you have gained from your experiences. Attach at least two letters of recommendation to your application. Up to four letters will be considered.
