DIRECTOR'S NOTE:

On behalf of our cast and Crew we are so excited to welcome you to our production of Mary Poppins! It is an honor to work with such amazing people on such an iconic show. The classic movie which premiered 1964 didn't make its stage debut until 2004 in Londons West End and landed on Broadway in 2006. While differing from the original movie, the stage version is a beautiful mix of old and new.

Mary, firm in who she is, brings with her lessons of charity, kindness, and consideration for others. Which had previously been lost on the Banks Family in their desperate attempt to fit into the expectations of a stringent and orderly society. Mary sees each member of the family for who they are and with the help of some magic and wonderful friends she helps them recognize it too.

The Mary Poppins found in the musical is different than the one we grew up watching in theaters and on TV. She is much closer to the character found in P.L. Tavers books. And while she is different, she is also "practically perfect". At its heart, Mary Poppins is a story about honoring our truths and who we are as a person. As you enjoy our production tonight, I hope you will be reminded of the magic and wonder each of you carry in being who you are.

(Props Designer)

Ashly is excited to join the OPPA team as Props Designer. She has previously worked at Tuacahn in St. George, Utah as Props Master, taught theater grades 7-12, and music grades K-6. She has two incredible kiddos and spends her work-time as a therapist in an office in Syracuse.

Ashley Ramsey
(Director)

Ashley is so excited to be directing once again. Ashley loves all aspects of theatre and is lucky to have been able to work as a director, actor, choreographer, and theatre teacher. Her favorite projects include Sweeney Todd, Disenchanted, Peter and the Starcatcher, and The Little Mermaid.

Christine Detweiler
(Lighting Design)

Christine Detweiler is thrilled to be returning to OPPA as a lighting designer, having designed lights for Little Mermaid last summer. She has taught theatre for the past six years at Syracuse High School and is passionate about storytelling and bringing theatre into people's lives. When she isn't working on a show, Christine likes to read, dance and take naps.

Erin Dawson
(Asst. Director)

Erin is excited to be a part of the production crew for Mary Poppins. She has been in theatre since she was 9 years old. She has recently assistant directed Spamalot and her favorite and most recent roles include Cinderella in Rodger's and Hammerstein's Cinderella and Pocahontas in Disenchanted.

Jared Daley
(Music Director)

Jared is happy to be back at OPPA Music directing. Mary Poppins holds a special place in Jared's heart. At the age of 2 this was the only movie Jared would watch. He would watch it at least twice a day as a tiny toddler. It's with honor and great pleasure that he gets to direct this music he's been in love with his whole life. The show is beautiful and the music guides our journey through this magical story. Jared would like to thank OPPA for the opportunity and his mother for allowing him to watch Mary Poppins on repeat.
