

Excite Your Taste Buds!

ABOUT US

At Natalie's Gourmet Foods, we believe in creating healthy and unique recipes by enhancing traditional favorites. Beets were initially added to our gourmet salsa as a natural color enhancer. They were so tasty that we just kept adding more and more!

Now beets are the #1 ingredient making our proprietary salsa recipe even more delicious with an all natural sweetness and gorgeous crimson red color which is sure to excite your taste buds. Also, it's naturally Gluten Free, Vegan, with no artificial flavors, colors or sugar added.
