

Sylvie's passion for sport began in the mid-1980s when, as a talented soccer player, she joined one of the first female teams in Quebec and participated twice in the Canadian Championships. This passion and talent confirmed her desire to work in the sport industry now recording more than 20 years of experience.

Originally from Montreal, Sylvie gained great experience including working with the City of Montreal's Sport Division, the FINA Aquatic World Championships, the Special Olympics, and the Torino and Sydney Olympic Games.

Sylvie has worked most of her life outside her native country and began working for the International Canoe Federation (ICF) as Events Manager; responsible for the overall coordination of the federation's portfolio of events and bidding process. In addition, she created and implemented the ICF Transfer of Knowledge Programme.

Sylvie's main projects at Sinergi Sports Consulting between 2013 and 2015 were the operations of the Work in Sports Conference and management of the Forums and finally the Union Cycliste Internationale Sharing Platform.

Sylvie has valuable experience in operational fields such as accreditation, transportation, venue management, accommodation, protocol, security, medical services, bid processes, hospitality, event design, event organization and transfer of knowledge.
