

# *Rescued Dog Workshop*

## Hosted by K-9 Capers Dog Training Academy

### **Workshop for rescued puppy & dog owners**

It doesn't matter how long ago you adopted your dog or if you haven't yet, this workshop will provide the help you need.

Join us the first Saturday of every month to discover how to transition your new dog or puppy into your family and make it a forever home. Topics covered are *Training Objectives* such as the 5 most important things to teach your dog, *Proper Socialization*, *Creating House Rules* and *Introductions to Other Animals*. There will be time to answer individual questions regarding your dog, and a handout will be included for you to take home.
