

Crumptown Farm CSA - 2021- Guidelines and Contract

CSA is a Partnership between Members and Farmers

At the core of CSA is the idea that members support their farmer by sharing in the inherent risks of agriculture (poor weather, drought, disease, early frost, crop failure) and the rewards (the bounty from a good season!). Therefore, while Crumptown Farm will act in good faith to provide fresh, organically raised produce for the 2021 - 25 week season, there is no guarantee of quantities and contents of the weekly share.

PICK UP YOUR SHARE!

As a CSA member, you must pick up your share on your chosen pick-up day and site during the pick-up time. If you are unable to pick up your share, you can arrange for a friend to pick it up instead. Please let us know if you are not picking up at all for a week so we can make arrangements for your share to be donated. There is no refund for unclaimed shares. The people at the pick-up points will not be able to address any concern or questions unless they are an employee of Crumptown Farm. Please address ALL concerns and questions to Crumptown Farm.

By signing this contract, you are agreeing to participating in the Crumptown Farm CSA. You understand the guidelines explained above and are willing to accept the risks. You will pick up or arrange for pickup of your share or let us know that you are donating it. You understand there are no refunds.

I appreciate locally grown, naturally raised produce and want to ensure that it remains available in my area by becoming a shareholder in Crumptown Farm CSA. I understand that Crumptown Farm will do their best to provide the sustainably produced vegetable varieties they propose at the times they estimate. However, as a shareholder in both the bounty and the risk, I understand that nature ultimately decides what I will receive and when.
