BUILDING PERMIT FEES FOR:
LAC DU FLAMBEAU
2017

1. \$550.00 Base price of permit for the first 800 square feet
2. \$0.12 Cost per square foot beyond 800 Square feet of finished area (Including basement)
3. \$0.05 Cost per square foot of non-finished areas including garages, breezeways, porches and deck and unfinished basements not in base 800 square feet. (Crawl spaces and attics are neither finished or unfinished area. A finished basement has a finished ceiling.)

NOTES:

1. Fees for a duplex dwelling shall be calculated as for a single-family dwelling.
2. Fees for a dwelling without plumbing and electrical systems shall be 2/3 of the normal price.
3. Fees for dwelling started prior to the issuance of permits shall be additional fee of 50% of the normal fee.
4. Fees for a new slab construction for a manufactured home, but without actual home installation, with or without new utilities, shall be 1/2 of the base 800 square foot fee. No seal is required. As an expectation to the standard cost proposed, additional inspection charges will be charged after 3 inspections.
5. Fees for manufactured home change-out using existing slabs shall be 1/2 of the 800 square foot base price (regardless of size); additional inspection charges will be charged after 3 inspections.
6. Fees for a manufactured or modular home installation on a new slab of footing shall be 1/2 of the 800 square foot base price (regardless of size); additional inspection charges will be charged after 3 inspections.
7. Fees for a manufactures home or modular home on a crawl space or basement shall be at the base 800 square foot price plus additional square footage.
8. When a permit is more than 2 years old and the exterior is not complete or the unfinished critical health and safety items, a fee of 25% of the normally applicable fee will be due if the same agency issued the permit.
