MVSOA Uniform Caps

Alternative to wearing a Legion, DAV, VFW, Amvets or other service organization caps. Won't have to choose which cap to wear, won't offend any veterans group at public events for not representing them by not wearing their cap. Different color and scheme than all service organizations to avoid any confusion looking alike. Show your pride with your town, city or district and also the MVSOA at Memorial Day & Veterans Day services and other patriotic events.

COLOR: Top Half White, Lower Half Black with White Piping & White Embroidering.

LAYOUT: Same as the traditional service organization caps.

LEFT SIDE / TOP: Title-Position across the top. For example: "Veterans Services Director" "Veteran Service Officer" "Veterans Services District Director" (this option requires two lines).

LEFT SIDE / BOTTOM: Town/City/District name and state. For example: "Mansfield, Massachusetts" or "Western District, Massachusetts".

RIGHT SIDE / FRONT LOWER CORNER FLAP: Traditionally embroidered with the post/unit/chapter number in this location: Embroider the town zip code, year town was founded/established. For example: "02048" or "1775". If a district, your option to leave blank or be creative with "USA", "ARMY", "USMC", "NAVY", "USAF", "USCG".

RIGHT SIDE / FORWARD-CENTERED LOGO: Traditionally embroidered logo in this position, can have your town/city seal patch or MVSOA patch sewn on (included in the price). MVSOA will include a patch for free if needed.

ADDITIONAL EMBROIDERING: Can have additional embroidering depending on space added on the Right Side towards the rear/back section in the event you wanted to personalize. For example: "US Army", "Persian Gulf" "Bronze Star", "Purple Heart" etc. Add'l cost of .75 per letter/number.

COSTS: Flat Rate per cap: \$50.00 for the above cap including basic embroidering with Town/MVSOA patch sewn on.
