TEACHER APPLICATION 2025 Yuuyaraq Cultural Immersion Camps

Calista Education & Culture presents a no-cost opportunity for teachers and administrators to learn our Yuuyaraq curriculum alongside 7th and 8th grade students in a day camp setting within the Anchorage bowl, March 10-14, 2025!

The Yuuyaraq curriculum is at the heart of our cultural immersion program and teaches Yup'ik/Cup'ik culture, history, traditions, and values that emphasize the importance of protecting and respecting wildlife and habitat.

Cultural immersion camps provide a rich opportunity to experience hands-on learning, increasing pedagogical knowledge while working with indigenous students and families, and participating in Elder-led discussions. Although this experience will be a brief immersion into Yup'ik/Cup'ik world, we are hopeful participants will gain a new appreciation for the Yugtun (Yup'ik) language and lifestyle to use in their classrooms.

Space is limited! Applications are now being accepted on our website, www.CalistaEducation.org. Apply right away for this FREE opportunity to transform your cultural perspective and enhance your classroom experience!
