

Mabopane Foundation **Current Fundraisers**

RACE TO 300

Our operating budget has increased with the growth of Ya Bana Village over the last few years. We appreciate every special gift given to the children, and we would like to build our sustaining donor base for daily operational needs.

We are prayerfully seeking 300 new monthly donors.

These can be brand-new donors or current donors who are generously willing to increase their monthly donations by **\$50** or more.

Can you help us reach the finish line?

Online Giving allows donors to schedule secure, recurring donations through ACH withdrawal or credit card.

Select “*Race to 300*” as the designated category.

Soli Deo Gloria!
Glory to God Alone!

RACE TO 300 REAPS REWARDS

Eleven *Ya Bana* children have the privilege of being the first to attend Prestige College, an independent school located near Hammanskraal, South Africa. The school is tuition-based and offers high quality learning opportunities for children through grade 12. Prestige has agreed to further partner with Ya Bana Village by offering a 50% tuition reduction for each child.

You may recall from earlier communication that *Ya Bana* staff and our Mabopane Board have been concerned about the quality of education in other area schools. We want our *Ya Bana* children to have a quality education and the best opportunities to be successful in the future.

As Becky shared previously, Gideon was successful with only 300 faithful men. Similarly, we can meet this need with just 300 faithful men and women who will prayerfully and sacrificially commit to \$50 a month. *The race is on!*

Will you step out in faith to become one of the 300 needed and allow God to use you to accomplish this huge task?

AN AMAZING OPPORTUNITY FOR NEW DONORS

A generous ministry partner is offering a **\$25,000 gift** which will be used to **match** any gifts received between 12/20/19 and 6/30/20 from new donors (anyone who hasn't given since 12/31/17). This is an incredibly generous gift and an opportunity to accelerate our **Race to 300** or multiply any other designation. Please share this information with prospective donors. Thank you to our partners for always inspiring us to do more. We thank God for your love and support.
