One Immigrant's Dream: A Funicular Railroad in Mt. Marion

Presenter: Alba LaFiandra

In 1955, local tradesmen from Mt. Marion, Saugerties, and Glasco helped to build a funicular/railroad that ran down from a cottage on the ridge above in Mt. Marion to the Esopus Creek near Glenerie Falls .

In the late fifties and sixties, and until the trees grew too dense, locals driving along 9W marveled at what looked like stairs going up the mountain. This is the story of how and why Alba's engineer father put them there.
