a. Solar Energy Amendment re: small requiring site plan review. Chairperson Amy Reiter requested that we revisit the small solar energy systems amendment as said amendment as written appears to be excessive. It was suggested that we remove both the site plan approval requirement as well as the \$2,000.00 site plan review fee. After discussion and motion by Amy Reiter and support by Joe Stanger, it is the Planning Commission's recommendation that the above requirement be deleted from the proposed amendment.
