

The Photographic Record

(Above Left - photo courtesy of the Town of Davie) At a recent operational readiness evaluation conducted by the State of Florida, DAVIE FIRE RESCUE'S LIGHT TECHNICAL RESCUE TEAM, which is part of the Florida Urban Search and Rescue Consortium, was ranked number one in South Florida and number three in the entire state out of 50+ teams. The team was evaluated in three primary areas: operational readiness, logistical readiness, and management readiness. (Above Right) Flamingo Gardens recently welcomed a NEW BABY OTTER KIT, and as of this writing they are still looking for a name. We are told by the Gardens' Laura Wyatt (who took the photo above, as well as the cover photo) that he's getting along great with his brother, Buster, who is teaching him how to swim. Do you have an idea for the little fella's name? E-mail us at tblant@gmail.com and we'll pass along the suggestions to Laura.

(Above Left) By 7 am on March 7 several hundreds of people had already turned out for Cooper City's massive CITY-WIDE GARAGE SALE. Bargain-hungry shoppers were buying things directly out of sellers' hands before they could even reach their tables! (Above Center) Debbie Beyer-Barwick manned the welcoming table at the F.R.I.E.N.D.S. fundraiser held on February 22nd at Caprioco's restaurant. F.R.I.E.N.D.S. is a horse rescue organization with a unique program that allows riders to sponsor a horse in exchange for riding time at the F.R.I.E.N.D.S. ranch. You can learn more about them in the ad on page 47. (Above Right) The Town of Davie offered an INDIAN FOLK DANCE & DHAMA CLASS in January and February. The students of these classes were provided with an opportunity to study the geography and culture of India through both traditional and innovative dance numbers from various regions of India.
