

## Michigan Flyways Retriever Club Membership For Retriever Training at Jorgensen Farms

April 1 – September 30, 2020 Training Season

MFWRC is offering to its club members the opportunity for retriever training on the beautiful grounds at Jorgensen Farms. In past years, MFWRC paid a land-use fee from its treasury for training along with monies collected from hunt tests, trials and seminars to Jorgensen Farms. **For 2020:** All proceeds from training memberships, land use fees and 'per dog access' for tests, trials and seminars will be delivered directly to Jorgensen Farms in order to boost revenue and cover costs. This agreement is on a year-by-year basis and will be at the pleasure of the property owner.

### TRAINING MEMBERSHIP COSTS

For 2020, the reduced-rate training membership will be \$250 individual/family (payable to MFWRC) is available only to current MFWRC Regular/Household club members as of February 9, 2020 and if the member worked in a qualifying job in 2019. Members must be in good standing with renewed current year club dues paid in full by March 1, 2020. **For 2020: Training Membership dues are due no later than March 31, 2020. A \$50 late fee will be assessed if received after March 31.**

New club members as of February 9, 2020 and thereafter will be charged \$450 (payable to MFWRC) for a training membership for the season. This cost will be reduced to the current member rate for 2021 if the new member works in a qualifying job (described below) at either a hunt test or other club function during 2020. The cost for current MFWRC members will be increased to \$450 for the 2021 training season if the member does not work in a qualifying job at either a hunt test or other club function during 2020. Training membership fees are for the season and will not be pro-rated.

### QUALIFYING JOBS

Michigan Flyways Retriever Club will be hosting three hunt tests in 2020. All three hunt tests will have two 60-dog Master stakes (A & B), two Senior and two Junior stakes (Sat. & Sun.). As a Michigan Flyways member, working is a requirement. The MFWRC Board of Directors strongly encourages all members to take on a job at a test or other responsibility in 2020. Training to do the jobs will be provided! Working the equivalent of a full day (8-10 hours) at one hunt test will qualify a member for the reduced training membership at Jorgensen Farms for the following year. If you are not on the official worker sheet, it is your responsibility to notify the Marshal at your stake if you are working. The Hunt Test Chairman and Marshals will work with you so you can also run your dog if you work at a test.
