March 31-April 2, 2023  
The Hotel Alyeska Girdwood, AK

## EXHIBITOR PACKAGE

# Exhibitor Opportunities

## Exhibitor Opportunities Available at the William J. Mills, III All Alaska Orthopedic Conference!

This conference is a 3 day live educational conference taught by renowned orthopedic surgeons specializing in spine, hips, knees, shoulders, elbows, osteoarthritis, total joint replacement, robotics, and biologics. The conference is scheduled to take place in person on March 31- April 2, 2023 at The Hotel Alyeska in Girdwood, Alaska.

Our annual orthopedic conference attracts over 150 physicians, physician assistants, nurse practitioners, podiatrists, nurses, physical therapists and other clinical staff from all over the state.

Your support is vital to the success of our conference! We have packaged the following exhibitor opportunities to get your products and services in front of our physicians and provide maximum exposure before, during, and after conference. To participate in our conference please register online at [aosalaska.org](http://aosalaska.org).
