FROM THE PRESIDENT

January 2022 President's Message

Here's hoping everyone had a merry Christmas and a very happy holiday. While 2021 was kind of a crazy year with Covid and "other stuff" going on, I feel that we had an exceptional GaSCar year. We got to drive our old cars, had cookouts, two very successful yard sales, a GaSCar car show, and our other club activities went on as normal as could be. It speaks volumes for the members of our club and I personally want to thank everyone for chipping in and doing what they could to make GaSCar the viable organization that it is. Our annual GaSCar Christmas party was a great example. While the food was great, the effort and planning made by our Christmas committee and everyone involved to make it the success it was cannot be overstated so if you have a chance be sure to thank them. Our club secretary Mike Lemons was recently awarded the prestigious AACA Master Webmaster Award to recognize the quality of our GaSCar website. While we all know the

outstanding job that Mike does with the newsletter, website, and e-mail postings to keep us informed of club happenings, this award is a formal recognition of his talents and hard work to help make GaSCar function as smoothly and efficiently as it does. Thank you, Mike, we all certainly appreciate what you do for our club.

While 2021 was interesting, 2022, promises to be even better. Starting out in January and February with our GaSCar Dinner and Movie Nights, Mark and Robin are busily finishing up details of what promises to be an extraordinarily enjoyable spring tour in March. The board and club officers will meet early in January to outline other activities including more cookouts. Also, many GaSCarians have spoken to me about other ideas for fun and interesting excursions the club could do so if you have any thoughts on things that you think the club would enjoy be sure to mention it to one of the club officers or board members. Also, be sure to keep current with our GaSCar newsletter and e-mails for the latest club information.

Remember to keep our sick and ill members in your thoughts and prayers. God makes a difference!
Happy Antique Motoring!
