NEW BUSINESS:

A. Parking and Storage of Certain Vehicles

Mayor Reames has consulted with the solicitor on the changes proposed by Mr. Gregg Vosler. The solicitor does not know of any other municipalities that allows the use of campers within their corporation limits. The Mayor has also reached out to the LUC Planning Commission, LC Health Department, and the LC Sewer Department for any opinion that they may have but has not received any feedback from them as of yet.

Mr. Iiams questioned the necessity of having a meeting on the subject if our solicitor has advised us not to allow this. Mayor Reames asked if council wants to put the effort into discussing changing the legislation for this against the advice of the solicitor. Some members felt that there was no reason to continue with discussion while others would like to investigate it further. It was also noted that if a permit fee would be charged, this would be revenue into the village.

Mr. Greg Iiams made a motion to set a committee meeting in early January for further discussion on changes to the section of the ordinance regarding campers. Mr. John Huffman seconded the motion.

The Vote: Mr. John Huffman, yea; Ms. Kelly Huffman, yea; Mr. Greg Iiams, nay; Ms. Joan Maxwell, nay; Ms. Shannon Stinemetz, yea.

D. Purchase Order Limit

In accordance with council rules, council is required to set a maximum amount for expenditures the mayor can approve without prior consent of council.

Mr. Greg Iiams made a motion to set the maximum purchase order limit to \$15,000.00. Ms. Joan Maxwell seconded the motion.

The Vote: Mr. John Huffman, yea; Ms. Kelly Huffman, yea; Mr. Greg Iiams, yea; Ms. Joan Maxwell, yea; Ms. Shannon Stinemetz, yea.

Ms. Joan Maxwell will continue to represent the Village on the Indian Joint Fire District Board for 2021.

G. Blanket Purchase Orders

Council was provided a list of purchase orders 01-2021 through 83-2021 which were established for estimated annual expenses to various vendors.

Mr. John Huffman made a motion to approve of the blanket purchase orders. Mr. John Huffman seconded the motion.

The Vote: Mr. John Huffman, yea; Ms. Kelly Huffman, yea; Mr. Greg Iiams, yea; Ms. Joan Maxwell, yea; Ms. Shannon Stinemetz, yea.

The motion passed: 5 yeas – 0 nays.

Chief Freyhof reported that the amount appropriated for 2021 for the taser replacement may not be enough as originally planned. He tried to work with the company to allow the village to split the purchase order so that remaining funds in 2020 could be used to pay a portion of the expense with the remainder ordered and paid in 2021 but the company was unwilling to split the order and still receive the discount.

H. GovDeals Sales

Mayor Reames reported that the village has collected \$40,829.79 to date selling items on GovDeals since we first started using them in 2013. This amount includes the recent sale of the playground equipment which sold for \$3,950.00.

I. Neighborhood Revitalization Grant

Ms. Hannah Diewald from CDC of Ohio outlined the revitalization grant application requirements and the money available. Though there is no match requirement it is competitive and commitments to the projects weighs into the grant rating. This type of grant requires varied activities throughout the village and requires citizen participation. Normally citizen participation is accomplished through council and outside meetings. However, due to the pandemic she suggests that this participation be accomplished by a survey to find out what the public would like to see done around the village. This information is then compiled to determine which projects the public is most interested in accomplishing. Engineers are then consulted to get cost estimates to make a final determination of what activities will be included in the grant application. It was suggested that the survey be delivered to the public with the monthly water bill. Ms. Diewald will draft a survey letter for the village.

Ms. Kelly Huffman made a motion to move forward with the steps necessary for the application of the CDBG Neighborhood Revitalization Grant. Mr. John Huffman seconded the motion.

The Vote: Mr. John Huffman, yea; Ms. Kelly Huffman, yea; Mr. Greg Iiams, yea; Ms. Joan Maxwell, yea; Ms. Shannon Stinemetz, yea.

Installed garage door antenna outside of the city building in hopes that it would pick the signal up better.

We have been putting berm stone down in the village.

Put cold patch down in a couple of locations in town.

I contacted ODOT about replacing a stop sign at 33 and Lincoln on the southside of 33 the stop sign was faded and difficult to see especially at night. ODOT informed me that the stop sign on the southside of 33 was the village's sign and the stop sign on the north side of 33 at Lincoln and 366 was ODOT sign. with all that binging said we replaced the stop sign at Lincoln and 33

We have installed a new anchor post and signpost and replaced stop signs and street name signs at Marshall and Lake, Marshall and Grand x2.

VX50 VACUUM EXCAVATOR VERMEER VACUUM EXCAVATOR BY MCLAUGHLIN

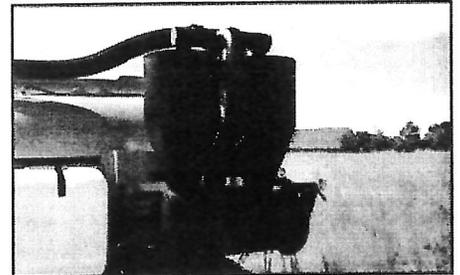

NO HASSLE HOSE.

Hang the suction hose on the side of the machine when moving between jobsites instead of coiling or disconnecting it, increasing productivity and reducing operator fatigue.

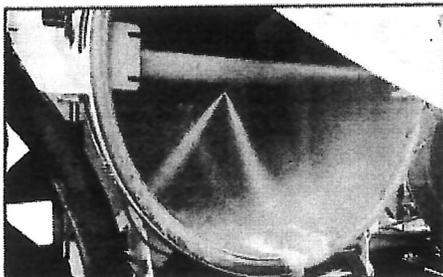

CAM-OVER REAR DOOR.

Provides a 360-degree access point, even under reverse pressure without additional clamping requirements. The highly reliable cam-over door has a seal-in tank moving parts, so all maintenance is external.

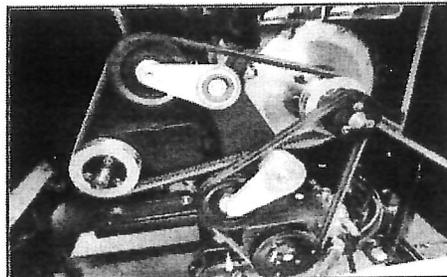

THREE-STAGE CYCLONIC FILTRATION.

Engineered to prolong filter and power life, the system is suitable for wet and dry applications. The cyclones use a tuned vortex system in which the outer vortex spirals loose small particles to fall into a separate canister. The filtered stream then passes up through the inner cyclone tube and is carried to the final post filter.

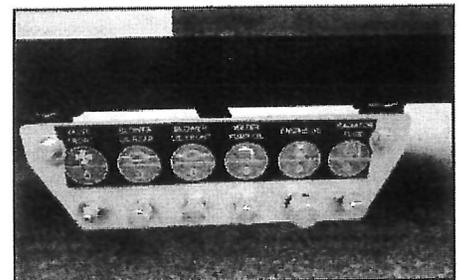

IN-TANK WASHDOWN.

Delivers a high pressure water spray to the tank interior, helps to simultaneously dump, maintain and clean the inside of the tank. Saves clean-up time and makes it easier to remove difficult debris.

AUTO BELT TENSIONERS.

Keeps proper belt tension at all times and extends belt life.

REMOTE DRAINS.

Fuel, water, and oil drains and grease points are centrally located near operator controls for ease of service.

NEED TO ATTACH AGREEMENT AS EXHIBIT 1

LOGAN COUNTY UNIFIED DRUG TASK FORCE AGREEMENT

BETWEEN THE LOGAN COUNTY SHERIFF'S OFFICE, TOWNSHIP OF WASHINGTON , VILLAGE OF RUSSELL'S POINT, VILLAGE OF DEGRAFF AND THE VILLAGE OF WEST LIBERTY

In furtherance of the mutual aid agreements made pursuant to R.C. §311.29, §505.431 and §737.04, this agreement is made and entered into on April 1st, 2021 by and between the Logan County Sheriff; Washington Township; Village of Russells Point, Village of DeGraff; Village of West Liberty, for and on behalf of their respective Police Departments, (hereinafter, collectively, "the parties").

1. Purpose

The parties hereto are engaged in the provision of law enforcement services within their respective jurisdictions and have personnel who are trained to enforce criminal drug trafficking laws. The parties desire to operate a joint task force pursuant to which contributions of personnel, equipment and financial resources may be utilized in furtherance of enforcing the laws to promote the health, safety, and welfare of Logan County.

The purpose of this agreement is to establish and maintain the Logan County Unified Drug Task Force. Said Task Force will conduct a multi-jurisdictional unit specializing in drug enforcement. These services include the investigation of those involved in drug trafficking, the illegal diversion of prescription drugs, providing drug related education to law enforcement, and educating the general public on both licit and illicit drug abuse.

2. Definitions

For the purpose of this agreement, the following terms are defined as follows:

Participating political subdivisions: A political subdivision that commits itself to this Task Force agreement by adopting an ordinance or resolution authorizing participation in the Task Force with other participating political subdivisions for rendering and receiving assistance in accordance with Task Force assignments.

Political Subdivision: A county, municipal corporation, township, or village having a recognized law enforcement agency.

Task Force: Personnel, equipment and funding assembled for the purpose of assisting member political subdivisions and neighboring political subdivisions on obtaining further law enforcement response to better protect the lives, persons, and property of County citizens.

Task Force Commander: The Task Force Commander shall be designated by the Logan County Sheriff. The Commander shall be either the Sheriff or a Deputy Sheriff of Logan County, the chief law enforcement officer, or a member of a law enforcement agency of any municipal corporation or township in the state. The Commander shall be responsible for team training, equipment, mobilization, accounting of task force funds, and tactical direction of the task force.

3. Authority and Command

In the provision of Task Force services, the Task Force Commander shall assume full responsibility and command for operations. Task Force members shall be responsible to the Task Force Commander and shall operate under his/her direction and control during assigned hours.

Supervision of the Task Force members shall be by the Task Force Commander. While performing any and all duties, investigations and enforcement under the authority of the Task Force, the Task Force members are directly accountable to the Task Force Commander.

4. Governance of Task Force

The Lead Agency for the Task Force will be the Logan County Sheriff's Office.

The Task Force shall be governed by an Advisory Board ("the Board") consisting of law enforcement leadership of the participating political subdivisions. All Board members shall serve without compensation. The Board shall meet at such times and places as agreed upon by Board Members. The Logan County Sheriff or their designee must be present and a quorum of at least 4 board members in order to conduct Task Force business. All Board decisions shall be approved by a simple majority.

The Board shall be responsible for the creation and maintenance of a policy and procedure manual for the Task Force. The Board shall review and update said

policies and procedures every three years.

The Board, all participating political subdivisions, and legal counsel from the Lead Agency of the Task Force shall be required to review all policies and procedures for consistency. Any conflicts which may arise between the participating political subdivision's policies and procedures and the policies and procedures of the Task Force shall be reviewed and resolved by the Board, the participating political subdivision and legal counsel for the Lead Agency.

5. Membership

Before any law enforcement agency may become a member of the Task Force its membership shall be approved by the Advisory Board. Membership shall be limited to the Ohio law enforcement agencies as defined by Ohio Statutes. Applicants shall become members upon approval of the Board and execution of this agreement.

When considering membership, the Board shall consider all factors including:

6. Responsibility for Conduct

The parties intend that a Deputy Sheriff or Police Officer will be acting within the scope of the Deputy Sheriff's or Police Officer's employment while performing Task Force Operations. The parties shall cause each Deputy Sheriff and Police Officer to abide by the policies of the Board and the policies of the Deputy Sheriff's or Police Officer's respective employer. If there is a conflict between a policy of the Board and a policy of the Deputy Sheriff's or Police Officer's respective employer, the policy of the Board will not supersede the policy of the Deputy Sheriff's or Police Officer's respective employer. The parties intend that the immunities provided under Chapter 2744 of the Ohio Revised Code will apply to all Personnel while performing Task Force Operations. Police Officers will not be deemed to be Deputy Sheriffs, nor will Police Officers be agents or employees of Logan County or the Logan County Sheriff. Each Municipality shall assume all liability for the actions of their respective Police Officers.

The direct supervision of the Task Force and its officers and/or employees shall

be the responsibility of the Task Force Commander while the officers are performing their official duties in furtherance of Task Force objectives. Every officer assigned to the Task Force agrees to abide by the directives of the Task Force Commander as to case openings, case and personnel assignments, and other matters necessary for the successful operation of the Task Force.

employing political subdivision.

Law enforcement personnel acting outside of the political subdivision in which they are employed shall be entitled to participate in any indemnity fund established by their employer to the same extent as while acting within the employing subdivision.

Further, law enforcement personnel shall be entitled to all the workers' compensation rights and benefits of Chapter 4123 of the Ohio Revised Code to the same extent as while performing services within their employing political subdivision.

3. The Logan County Prosecutor's Office shall receive 35% percent of all assets, including administrative seizures, forfeited in a County Court of Common Pleas, after the provisions of paragraph one and two are met.
4. For all assets forfeited in a County Court of Common Pleas, the participating political subdivisions shall receive the percentage as detailed below this paragraph after each expense is paid pursuant to paragraphs one, two and three above.
 - a. Logan County Sheriff's Office 35 %

Any amendment to this agreement shall be in writing and approved by the legislative bodies of each participating agency.

14. Severability.

The parties intend as follows:

(1) that if any provision of this agreement is held to be unenforceable, then that provision will be modified to the minimum extent necessary to make it enforceable, unless that modification is not permitted by law, in which case that provision will be disregarded;
