

PENNY WARS

March 6 - 10

and

March 27 - 31

Penny War—it's so much fun! The goal of a Penny War is to collect as many PENNIES as possible in your jar AND put as many NON-PENNIES in everyone else's jars.

Here's how it works:

Each class has its own labeled "jar." Money is worth "points" based on monetary value.

- Pennies = 1 point
- Nickels = 5 points
- Dimes = 10 points
- Quarters = 25 points
- \$1 Bills = 100 points
- \$5 Bills = 500 points
- \$10 Bills = 1,000 points
- \$20 Bills = 2,000 points

But there's another key rule in a Penny War. **Pennies give your team positive points —while nickels, dimes, quarters, and any dollar bills take points AWAY from the team's total.** Therefore, you want to put PENNIES in YOUR CLASS'S jar (positive points). However, you want to put nickels, dimes, quarters, and dollar bills (negative points) in the jars of OTHER CLASSES. The goal is for your class to have the most POSITIVE points at the end. **Money will be donated to the Sister of the Congregation of Divine Providence, Nazareth Home and victims of the earthquake in Turkey and Syria**
