

A few months ago, the North Carolina PTA announced a partnership with MemberHub, a Raleigh NC software company, to provide communications technology to all NCPTA families free of charge. MemberHub is an all-in-one communications and collaboration platform for schools. The LES PTA will use MemberHub to bring you into the school community and keep you informed and engaged with what is happening within the PTA and your classroom.

Within our MemberHub site, you will find shared calendar events, newsletters, files, photos, reminders, and much more all in one place. With MemberHub, you can:

- Pay for PTA membership dues and other items online
- Sign up for volunteer slots or needed items and receive reminders
- Receive emails and/or texts with communications from various levels and groups
- Share files and photos in a secure environment
- Utilize a shared calendar and receive event reminders
- Join groups or “hubs” as you wish, including classrooms, to stay informed
- Access a private online school directory
- Install the MemberHub app on your smartphone for info on the go

How Does This Impact Me?

Parents: Once you register yourself and your family within MemberHub, this is a great way to engage with the school and PTA. You will also use MemberHub to become a member of the PTA and pay for membership dues. The PTA will continue to use the PTA web site, lespta.com, as well as the existing email newsletter for now. Over time, we will utilize the newsletter feature within MemberHub to tailor communications to specific groups and teams (“hubs”). The school will continue using the school web site and other communication channels as needed.

Teachers: Teachers will continue to use the tools as directed/provided by WCPSS and school administration. Teachers will also utilize Room Parents to help facilitate communications directly within MemberHub that is specific to their classroom, which will be managed by their Room Parents (signups, information, etc.).

The PTA will begin using this tool to manage membership, officer updates, and our good standing requirements for being a part of the NCPTA and national PTA.

How Do I Learn More About MemberHub?

- Watch this video tour of MemberHub, to learn about all the great features available:
<https://www.youtube.com/watch?v=uPIFrcHaG8g>
- Visit the support site at <http://support.memberhub.com/hc/en-us/sections/200708669-Parents-and-Other-Users>

What Should I Do Now?

1. Visit <https://les.memberhub.com/join/t2uft5> to register you and your family members with MemberHub.
2. After registering and receiving confirmation, join any Open Hubs you want to engage with, including your child(ren)’s classroom hubs. Be sure to join the “PTA” hub to receive communications from the PTA. Also, we will no longer have the “Volunteer Interests Form” that you may have filled out in previous years. To let us know what you are interested in, please join the hub that relates to that area (i.e., join the “Family Fun” hub if you want to learn more about and be engaged with Family Fun events).
3. Visit <https://les.memberhub.com/dues> to join the LES PTA and help support all the programs and events for our school.

All these resources are also available on lespta.com.

Thank you for your support! If you have any questions, email us at info@lespta.com.
