

EMPLOYMENT OPPORTUNITIES

**CITY OF Silver Bay**  
**POSITION OPENING**  
**CHIEF OF POLICE**

The City of Silver Bay is accepting applications for the position of Chief of Police. The primary function of this position is to direct the administration and operations of the Police Department and carry out the mission and vision for the City. Supervise, coordinate, lead, teach, schedule activities, conduct criminal investigations, enforce laws and ordinances, communicate internally and externally, and be a patrolling officer. Applicants must have five (5) years experience as a Police Officer, graduation from high school or equivalent, Police Officers Standards and Training (P.O.S.T.) license, at least one (1) year administrative and supervisory experience and/or have completed a Police Chief Command or Management School, and must not have a criminal record. This is a full-time position with competitive wages and benefits. A comprehensive background investigation with medical and psychological examinations is required as a condition of employment. The 2022 full pay rate is \$30.28 - \$37.85/hour, depending upon qualifications and experience, with full pay rate achievable within one year. Applications and full job description are available upon request at City Hall, 7 Davis Drive, Silver Bay, MN 55614 or [www.silverbay.com](http://www.silverbay.com). Required city applications with original signature should be returned to the City Administrator preferably by 4:00pm on May 25, 2022; however, applications will be accepted until the position has been filled. Resumes and cover letters are considered a supplement to the required city application. EEOE/AA.

**\$1.1 Million Grant Awarded for 2024 Gunflint Trail Improvement Project**

Todd Ford, Public Communications Coordinator, 218-387-3508, [todd.ford@co.cook.mn.us](mailto:todd.ford@co.cook.mn.us)

Grand Marais, MN, May 3, 2022-The Cook County MN Highway Department was recently awarded \$1.1 million through the Federal Lands Access Program (FLAP) for the Mill the Hill and Bridge Replacement project scheduled for 2024. FLAP grants are competitive grants offered through US DOT FHWA (Federal Highway Administration).

The project will take place along the Gunflint Trail from 5th Ave W up to Devil Track Road. The entire corridor will have a mill (a new roadway surface) and overlay, the three-lane portion will be widened to four lanes, the culvert over Little Devil Track River will be replaced, and the intersection with Devil Track Road will have turn lanes added.

Funds for this project include the \$1.1 million FLAP grant award, plus \$1.48 million in federal Surface Transportation Block Grant Program funds which Cook County receives every 5-7 years, and annual State Aid Construction funds.

“Start and end dates have not yet been established,” said Robert Hass, Highway Engineer, “but road work typically starts in mid-May and ends before it snows.” One lane of traffic will remain open at all times. A signalized lighting system will be used to alternate traffic heading up and down the Gunflint Trail. Alternate routes will be encouraged and posted for drivers coming into Grand Marais from the west and east.

A contractor will be hired to do this work. AECOM (engineering firm) is the consultant currently doing the design work.

Materials will be sourced locally and from elsewhere. The Cook County Highway Department will not be doing any of the construction work, as the scope of this type of project is too large.

For additional information, please call the Cook County Highway Department, 218-387-3014 or visit: <https://tinyurl.com/44ammkzc>.

**May is Mental Health Awareness Month**

By: Dean Rudloff

There are many ways to get involved and learn more about mental health. #StayConnectedMN has created resources for businesses, teachers, leaders, and all community members to use to show support and bring awareness to mental health at home and in the workplace.

Added resources on the MN level are available through the MN's Department of Health: “Community Tools.” You can register for the wellness series: “Eight Dimensions of Wellness” by contacting [Kell.Felton@state.mn.us](mailto:Kell.Felton@state.mn.us). CALM provides training on reducing access to lethal means, such as firearms and medication, and is a proven response in suicide prevention and mental health crisis intervention. Register for CALM by contacting: [Jenilee.Telander@state.mn.us](mailto:Jenilee.Telander@state.mn.us).

Local needs and questions regarding Mental Health and Well-being can be directed to Health and Human Services in Two Harbors. Plus, Lake County provides a host of Mental Health providers. You can get involved in mental health groups such as The Lake County Mental Health Task Force; Community Partners in Two Harbors or North Shore Area Partners in Silver Bay; and/or the Northshore Mental Health Group (NSMHG) in Silver Bay who also hosts: GLAD (Group Living with Anxiety and Depression).

And if you need help right now, don't hesitate. Call the regional Crisis Line: 844.772.4724 or the Crisis Text Line: “MN” to 741741 or the National Suicide Prevention Lifeline: 1-800-273-8255. Suicides are preventable... Mental Illness is treatable... and recovery is possible!
