

The Stafford Cidery receives a large volume of donation requests and event requests. While we would like to contribute to every organization and event, we are unable to do so. Due to the large number of requests, we will only respond to those donations and event requests which we are able to help with.

Please return information in person or via email to: [crazycockcider@gmail.com](mailto:crazycockcider@gmail.com). *Thank you!*

### **Item or Product Request**

What items are you specifically looking for?

What is the date & purpose of the event?

How many people are expected to attend event?

Can you provide a donation receipt? (If a receipt is promised and not received, we will not be able to donate in the future.)

Any item donations need to be picked up during our taprooms open business hours. Please let us know who will be picking up the item and if possible, when.

### **Event Request**

Is our product being purchased by the event or are you asking for product to be donated?

When and where is event?

What is the purpose of the event?

How many people are expected to attend the event?

Can you provide a donation receipt? (If a receipt is promised and not received, we will not be able to donate in the future.)

Do we need to provide staffing at the event or does the event provide staff to pour our product?

Please note that we cannot attend events without at least 30 days notice.
