**Retiree Dental Insurance**

Retiree and spouse keep retiree dental insurance until the employee turns age 65, both parties lose coverage at this time.

The dental coverage is the only coverage lost during retirement.

**Medicare= Medicare Advantage Plan**

To remain on the UAW retiree healthcare plan the retiree must sign up for Medicare Part A and B starting the month of your 65th birthday. 2019 cost for Medicare is \$135.50

The spouse must sign up for Medicare Part A and B starting the month of their 65th birthday.

If the employee or any dependent has Medicare prior to their retirement date, they must continue Medicare Part A and B to be eligible for retiree healthcare.

Once you have Medicare, **Do Not** show your government issued Medicare card, only use your BCBSM card at the doctor's office or the hospital.

**Express Scripts Drug Plan**

Express scripts mail order is required for maintenance type drugs. This allows for a 3 month supply for a two month co-payment.
