

Had a recent change that affected your health insurance? **I can help.**

Choose MyPriority®!

Whether you're losing health insurance because of job loss or divorce, getting married or retiring early, you may qualify for a special enrollment period.

MyPriority plans for individuals and families are designed to give you control of your health care spending and peace of mind, knowing you're protected if something catastrophic happens.

MyPriority plans include:

-  A statewide network of doctors and hospitals
-  No referral needed to see a specialist
-  Virtual care — see a doctor 24/7 via phone or online
-  Cash rewards for engaging in your health
-  Gym membership discounts
