		<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
		<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
		<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Please note that unless otherwise instructed by us: Twice daily medication doses should normally be given approximately 12 hours apart, where possible.  
 Three times daily medication doses should normally be given approximately 8 hours apart, where possible.  
 Four times daily medication doses should normally be given approximately 6 hours apart, where possible.  
**Leave at least 10 minutes between any eye medications which are due to be given in the same eye at the same time of day**  
 We always refer to the *animal's* right and left eye, not as you face them.

Pet's name: .....

Remember to follow the instructions on the drug label carefully  
 If you have any queries or concerns about your pet's medication, please contact us on the number above.
