

# **Central Alabama Chrysalis Entertainment Manual**

Entertainment occurs after dinner Friday night at approximately 5:30 pm after ALD's have announced agape and other announcements. All skit participants need to be ready for entertainment by 5:15 pm. Entertainment should last approximately 10-15 minutes. Due to space and time constraints your skit should not contain more than six people.

Entertainment skits should be both FUNNY and APPROPRIATE. If desired, musical accompaniment and costumes are allowed but should be provided by those participating in the skit. Any costumes or props should not be seen by caterpillars until entertainment begins. Be creative when preparing your skit. Skits can be original, but do not have to be.

Please contact a current CAC Board Member if you have any questions or concerns about materials, appropriateness, or ideas.
