

Our Company:

OSS Septic/Those Guys Water Hauling has been providing septic service and potable water delivery to the Lakeland area for 10+ years.

We are happy to provide septic service to the Resort Subdivision of Ramsey Bay.

Service Dates:

Summer Hours: Wednesday and Saturday as needed. - Wednesday before the May long weekend to Wednesday after the September long weekend.

Winter Hours: Saturdays as needed - Saturday prior to the May long weekend and Saturday after the September long weekend.

Scheduling:

Due to the distance traveled it is preferred that septic service is booked ahead of time and bookings will be taken till 9 am Wednesday and Saturday (summer) and 9 am Saturday (winter)

We will accept calls for service after 9 am if we are still in the area.

Rates:

Minimum charge 1 tank \$250.00 GST inc

2-5 \$125.00 GST inc. Less than full tanks ie 1/2 to 3/4 \$105.00 inc GST

6+ \$80.00 GST inc. Less than full tanks ie 1/2 to 3/4 \$65.00 inc GST

It is our preference to only charge \$80.00. However, travel time to and from Ramsay Bay is 3 hours, to have 4 or less even at \$125 would be a loss situation. I'm hopeful that there will be 6 more to do. The purpose is to be able to provide service to the Resort Subdivision of Ramsey Bay over the long term.

Payment methods:
