

Soccer

Soccer will bring out your love for the game in a variety of fun drills and mini-games that focus on ball control, passing, and off-the-ball movement. In a fun, stress-free environment, campers will show off their skills in competitive activities. Join us as we celebrate soccer and teamwork!

Splish Splash

In this class campers will become more self-aware in the water. Basics, like how to enter, stand in, breathe, float, submerge, and exit the water are practiced through fun, group activities. Campers become safer, more water competent, and more pool knowledgeable in this fun and exciting class. **Note: Campers will be transported to Wynnewood Pool for this class.**

Swim for the Gold

Want to quicken your pace? Perfect your form? This is the class for you! Campers in this advanced level class are capable of or working on passing the deep end test, and want to learn techniques of all four strokes (freestyle, backstroke, breaststroke and butterfly). **Note: Campers will be transported to Rivercrest Pool for this class.**

Theater Workshop

KEEP CALM AND LOVE THEATER. Campers will participate in theater exercises, create characters, and develop acting skills to put on a box office hit at the end of the session. Put your best foot forward, and break a leg. **NOTE: This is a 3-hour class.**

Think Outside The Box

Love a good DIY (Do It Yourself) project? Me too! Explore the DIY world by building, constructing, and designing your own creations. Foster teamwork and leadership skills while creating cool projects you can even use at home. Let's see who will make the most awesome, creative, or functional project! Are you ready to get those creative wheels spinning?

Track & Field

Get ready to run like the wind! In this class campers learn about and practice the various events of track and field including sprints, distances, relays, long jump, etc. Campers will develop their skills while having fun. Emphasis is placed on developing basic skills through individual and group instruction.

Ultimate Double Dare

Ultimate Double Dare will keep the campers physically active from the beginning of class to the end. They will warm up, stretch, and then get right into aerobic activities that will include group activities such as Ultimate Handball. The campers will be engaged in entertaining activities that will get them up and moving. In this class, children will build strength, coordination, and confidence; helping them lay the groundwork for a healthy lifestyle. Overall, this class will be fun, active, and educational.

Piscataway Summer Camp

Summer 2018 Piscataway Arts & Enrichment Program

Adventures In Stop Motion Animation

Create your own summer blockbuster!! Let your love of movies shine as you build sets and characters for your own original stop motion videos. Learn about frame length, character expression, editing, adding music and voiceovers in this fun, interactive class.

Athletic Adventures

Come join us as we take on various cooperative games and teamwork-based adventures this summer. Campers will work together during many activities such as Castleball, Battleship, Freedom Ball, and Ultimate Frisbee, just to name a few.

All Star Basketball

Dribble....Shoot....Pass...SCORE! Play your best game while practicing your skills. Campers will be a success at taking the tough shots while learning about teamwork and basketball rules and enjoying fun games like Knock-Out.

Baseball

Grand Slam! Grab a friend or two and have fun sliding into the rules and basic skills of baseball such as throwing, catching, hitting, base-running and fielding. Campers will also learn life-long skills such as sportsmanship, teamwork, general fitness and healthy living.

Around The World In 80 Notes

Experience the universal language of music and dance. Learn to Salsa dance, play African drums, compose your own music, and even create your own rock band. Walk and talk like people from around the world.

Art Masterpieces

Get ready to use your imagination and create unique works of art! Paint, color, glue and build to craft your unique art masterpieces! Make scary masks, marshmallow towers, picture frames and so much more.

Cartoon Creations

Take a trip into your imagination. Create your own character or superhero, and draw life into them. The lessons and skills learned go hand-in-hand to make a comic strip all on your own! Past, present, and future ... there are no limits to your imagination!

Cracking The Code

Calling all future web designers! Learn the basics of coding through a series of web projects and design challenges. Join us in this exciting class to think, plan, and create your own websites!

Jump Ahead

A personalized, web-based program that combines digital learning with direct instruction and will assist each student in meeting his/her summer learning goals. Return to school in September confident and ready!

Football Fanatics

Whether you're a Giants or Jets fan, this exciting flag football class is the perfect outlet for your football passion. This program provides an introduction to the game of football in a fun and dynamic environment. Classes consist of skill development such as pass routes, throwing techniques, defensive drills, and game play which will increase cardiovascular endurance.

Just Craftin' Around

If you love to paint, draw, and create new projects, this is the class for you! Campers will discover their inner creativity and dive into their inspiration to construct a variety of original works of art that they will take home.

Gymnastics

Tumble on in to this recreational gymnastics program full of progressive skill development, supportive encouragement, and most of all fun! Campers will use top-notch gymnastics equipment including Vault, Uneven Bars, Balance Beam, and Floor -Exercise. Whether you are new to the sport of gymnastics or have previous experience, this class is right for you!

Kids' Concoctions

Let your inner mad scientist skills run wild! Spend the summer creating fun, wacky, and wild projects such as, super spray paint, sponge flyers, shake and make whipped cream, and so much more! Here is your chance to take exciting risks and share your love of science and art with others!

In the Spotlight

Do you love being on the stage? Then this is the class for you! Campers will learn to sing, dance and act to different genres of music. This class includes mime, acting and dance movement in a theatrical experience and will end with a theatrical performance.

LEGO Creations

Build the world of your dreams! Work in groups or on your own as you use your imagination to design and create story book scenes with LEGOs. Campers will be able to build and design their own structures, tell stories and more.

Let's Dance

Join us for dance, energy, and fun! This exciting rhythmic class incorporates dance tricks, extensions, expressing emotions through dance, and learning new moves to today's hit music. At the end of the session, campers will perform. No experience necessary.

Mad Science

Calling all innovators, engineers, inventors, scientists, physicians and everyone in between. From inventing the solutions to everyday problems to creating a squadron of paper airplanes and even doing detective work for some awe-inspiring experiments, there is something for everyone in this class! All you need is yourself and a little curiosity to take off on your Mad Science journey.

Once Upon A Story

Take a bit of reading and a smattering of art. Listen to your favorite stories, then use your imagination to create foods and crafts related to the tale. Campers will make and bring home original masterpieces.

Origami

Learn the amazing art of paper folding. Create crafts that work - such as drinking cups, hats, and sailboats that float on water. Make fun toys like fortune tellers, jumping frogs, and snappers. Geometry fans can make boxes, hearts, and balls. Magically make gifts with special paper and your own hands.

Pop Art

This class is a different take on everyday arts and crafts! Campers will create projects that will have a 3D effect that pops right off the page! Join us as we create designs that will amaze all of your friends!

Scooter Fun

Ready? Set... Scoot! In this fun class we will be exploring a variety of games and activities with scooters. This is a perfect class for any camper looking to have a good time. From races to "Tag" to Quidditch, we will be doing it all, on scooters!

Shootin' Hoops

Dribble, pass and shoot as you develop skills to be a successful basketball player. Box out your opponent and work hard on that jump that will make you a winner. This class will include three-on-three tournaments and Knock- Out among other favorite games campers will enjoy.

So You Think You Can Sing?

Take your singing to the next level in this class that will help you match pitch, increase your vocal range, and develop strong singing techniques. Don't B sharp, Don't B flat, be "The Voice!"
