NJCECA Scholarship Program Criteria

The purpose of the scholarship awards program is to select outstanding students who best exemplify the student community that cooperative education represents. Criteria for selection will include the following:

1. All students must be in the 12th grade, enrolled in a bona fide cooperative education program, and will graduate in June 2023.
2. Coordinators who are members of NJCECA as of December 31, 2022 are eligible to submit applications of student candidates.
3. Candidates must complete an application form (found in this brochure). The student's coordinator must mail it to the scholarship chairperson postmarked by **April 30, 2023**. No additional materials are to be submitted with this application. This is simply an intent to participate.
4. Applicants may be required to attend a panel interview, date to be determined, and submit additional documents, in a folder, at that time. Two letters of recommendation from a school administrator, teacher, or counselor.
 - Letter of recommendation from the student's employer.
 - Resume
 - Students applying for a scholarship are encouraged to bring a portfolio of their work
 - Optional documents (not required): Transcripts, awards, projects, photographs, ASVAB score report, etc.
5. Scholarship recipients will be notified through their coordinators. Each winner is required to contact the school sponsoring the scholarship prior to **August 1, 2023**. Each school reserves the right to establish fees beyond tuition for books, equipment, etc. It is up to the student to inquire as to the total cost of the school's program.
