

# MGM HAULAGE & RECYCLING LTD

Waste clearance, soft strip-outs and light demolition in London and Home Counties

# ABOUT US

- ▶ MGM Haulage and Recycling Ltd is a growing waste clearance company established in 2010
- ▶ We pride ourselves in offering an efficient and clean service
- ▶ We are environmentally friendly and keep noise levels to an absolute minimum.
- ▶ We are committed to being environmentally conscious.
- ▶ We adhere to EU regulations concerning waste disposal and the environment and all staff receive training on waste disposal and recycling and in depth health and safety training.

## ABOUT US

- ▶ We currently recycle 91% of all waste cleared with ambition to improve this figure to 94% by 2020.
- ▶ In addition to waste clearance services, we also offer site preparation works such as strip outs and demolition and can offer construction services such as refurbishments and extensions. We generally require ½ - 1 days notice before attending site.
- ▶ Goods Vehicle License number: OK1116015
- ▶ Waste Carriers License number: CB/LE5436VE

# OUR SERVICES

## WASTE CLEARANCE

- Clearance on a wait and load basis
- With a working driver in a 7.5 tonne lorry fitted with a tail lift for heavy lifting
- Safety rail can be used with a harness for extra safety.
- Additional labour can be provided at extra cost.
- Waste reports and waste tickets can be provided for auditing purposes

# OUR SERVICES

## SOFT STRIP-OUTS, DEMOLITION AND CONSTRUCTION

- Soft internal strip-outs.
- Stripping of anything within the main structure of a building, for example a stud wall, metal studding, partitions, suspended ceilings or air conditioning units.
- Light demolition such as the remains of a building such as an outhouse, part or full walls.
- We offer construction works such as office refurbishments, extensions, loft conversions and improvement works.
- Prices depend on the nature of the job, so an estimate will be given.
