Upcoming Movie Releases

...and more!

Upcoming Adult Fiction

Good Girls Lie - J. T. Ellison

Perched atop a hill in the tiny town of Marchburg, Virginia, The Goode School is a prestigious prep school known as a Silent Ivy. The boarding school of choice for daughters of the rich and influential, it accepts only the best and the brightest. Its elite status, long-held traditions and honor code are ideal for preparing exceptional young women for brilliant futures at Ivy League universities and beyond. But a stranger has come to Goode, and this ivy has turned poisonous.

In a world where appearances are everything, as long as students pretend to follow the rules, no one questions the cruelties of the secret societies or the dubious behavior of the privileged young women who expect to get away with murder. But when a popular student is found dead, the truth cannot be ignored. Rumors suggest she was struggling with a secret that drove her to suicide.

But look closely...because there are truths and there are lies, and then there is everything that *really* happened.

Upcoming Adult Non-Fiction

All Blood Runs Red - Phil Keith and Tom Clavin

The incredible story of the first African American military pilot, who went on to become a Paris nightclub impresario, a spy in the French Resistance and an American civil rights pioneer.

Eugene Bullard lived one of the most fascinating lives of the twentieth century. The son of a former slave and an indigenous Creek woman, Bullard fled home at the age of eleven to escape the racial hostility of his Georgia community. When his journey led him to Europe, he garnered worldwide fame as a boxer, and later as the first African American fighter pilot in history.

After the war, Bullard returned to Paris a celebrated hero. But little did he know that the dramatic, globe-spanning arc of his life had just begun.

Upcoming Young Adult Fiction

A Girl Named Anna - Lizzy Barber

Raised in a quiet rural community, Anna has always been taught that her mamma's rules are the only path to follow. But, on her eighteenth birthday, she defies her mamma for the first time in her life and goes to Astroland. She's never been allowed to visit Florida's biggest theme park, so why, when she arrives, does everything about it seem so *familiar*? And is there a connection to the mysterious letter she receives that same day—a letter addressing her by a different name?

Rosie has grown up in the shadow of the missing sister she barely remembers, her family fractured by years of searching without leads. Now, on the fifteenth anniversary of her sister's disappearance, the media circus resumes as the funds dedicated to the search dry up, and Rosie vows to uncover the truth herself. But can she find the answer before it tears her family apart?
