### ***BECOME A SPONSOR OF THE 2018 EAST BAY CONTRA COSTA STEM GAMES!***

*East Bay Contra Costa STEM Games (EBCCSG)* is a special event produced by City of Richmond's Community Services Department in collaboration with STEM Equitable Immersion Collaborative. Our goal is to expand science and math curriculum beyond the classroom, contribute to the technologically-literate workforce in the Bay Area and provide recognition for outstanding achievement by students from East Bay/Contra Costa urban communities. The Richmond Memorial Auditorium will house all competition activities. STEM Games are a competitive team event that requires knowledge of Science and Math topics and Technological and Engineering skills. The competition, similar to a typical athletic event, captures the commitment, enthusiasm, and interest for STEM. EBCC STEM Games offers supplemental engagement and educational opportunities to increase East Bay Contra Costa student's interest and educational aptitude in STEM education.

*Top teams will win prizes & trophies and hold the title as EBCC STEM Game Champions 2018!*

### ***Who participates in East Bay Contra Costa STEM Games?***

East Bay Contra Costa Elementary-High School students from Richmond, Berkeley, Oakland, and Emeryville with an interest in problem-solving and teamwork. Teachers, parents, organization leaders and adult mentors may participate as coaches. STEM Games participants prepare and practice for specific events for months in advance in preparation for the competition. The competition will include 24 events for **Middle (6-8)** and **High School (9-12)** participants, as well as 8 events for **Elementary (3-5)** participants.

To help make our event a success, 100 volunteers are needed to assist with all the activities required to support the day, from Greeters, to Game Overseers, Event Supervisors to Cleanup. Approximately 400+ students, community organizations, school faculty, family members, and friends, will participate in the *East Bay Contra Costa STEM Games*.

We would like to request your support towards the **2017 East Bay Contra Costa STEM Games** to raise vital funds, recruit Event Supervisors, Coaches, and volunteers. With the support, donation, or time from business, industry, community, government, educational, and foundation partners like **YOU**, we can ensure the success of the event. *This is a great opportunity to demonstrate your investment to ensure that East Bay/Contra Costa students are ready for the careers of tomorrow.*
