Dear Ms. Corbett:

This letter serves to inform you that the Watertown Town Council has voted on April 14, 2015 to support the letters that you have received from Belmont and Arlington Selectmen's offices dated March 3, 2015.

We have communicated our concerns to Watertown's representative on the Logan Airport Community Advisory Committee, Dennis Duff, which resulted in the Community Advisory Committee voting on January 15, 2015 for the Federal Aviation Administration to reexamine its course of action.

The supported motion at that meeting was as follows: "That the FAA reexamine Runway 33L RNAV SID, implemented in June of 2013, in light of the significant increase in noise complaints and negative feedback from communities since implementation and that alternatives or modifications be considered".

We want to thank you for your immediate attention to this matter and request that you take action that is consistent with the Community Advisory Committee's approved motion.

Sincerely,

Mark S. Sideris, President
Watertown Town Council
