The talk is about The "Great Pyramid" of Giza, a fascinating account which amongst other things will include who built it and its position in line with the stars.

A series of photo's will take us back from the 1990's to 1910, covering views of both entrances to the Great Pyramid, the official one and the one made by robbers and other fantastic scenes.

The SSAE was formed in 1992, primarily for people in the Chesterfield, Nottingham and Derby areas with an interest in Ancient Egyptian history and art.

The **SSAE local group** is self-funded and depends on door sales. The group is based in Chesterfield and organise a programme of 6 lectures a year and social/ fundraising events.

The **SSAE Main Society** has 6 lectures a year (3 in Nottingham, 3 in Chesterfield), social events and trips in the UK and abroad and produces a Membership magazine (the Scribe) 4 times a year.
