

Heritage Square Homes Association

- Homeowners Association -

August 18, 2021

Dear Heritage Square Owners,

Normally at this time of the year you would be receiving a reminder of the Heritage Square Homes Association (HSHA) annual meeting that is usually held in September.

As you know from listening to the news and government officials, there are multiple unknowns that come with this COVID-19 pandemic and now with the DELTA variant. In the interest of public safety, the HSHA Board of Directors has taken the decision to delay holding an annual meeting until such a time when it can be held normally and safely. When it becomes possible to safely hold a public annual meeting you will receive proper notice of the time and place of that meeting.

In the meantime, the board will continue to operate with the current slate of officers and members at large. Since the onset of the pandemic your board of directors has been operating virtually and working hard in collaboration with Rosewood Management to conduct the business of our community.

Our priority is to keep this community operating smoothly and safely. We sincerely appreciate your understanding and support.

Sincerely,
Board of Directors

Heritage Square Homes Association
