

## Parish Health Ministry Workshop

**Saturday, April 25<sup>th</sup>, 9:00 am to 10:45am**

**Zoom Webinar**

Does your parish have a health ministry?  
Are you seeking ways to better serve your vulnerable populations?

The goal of the meeting is to demonstrate how a health ministry provides a foundational platform to respond to the ongoing and changing needs of parishioners and is an invaluable asset especially during this time of crisis.

You are invited to come:

- Learn how having a health ministry enhances your church's ability to respond to the needs of your parishioners in general and especially now during the current COVID-19 crisis.
- Share how does your health ministry identify and respond to the needs of parishioners during COVID-19?
- Learn how the Holy Cross Health Faith Community Nurse Program and the Matthew 25 grant can empower your parish to build and sustain a thriving health ministry.
- Learn from faith community nurse leaders about a variety of successful health ministry initiatives that engage volunteers to serve their parishioners and wider community.
- For more information and to RSVP: [Laura.Yeomans@CC-DC.org](mailto:Laura.Yeomans@CC-DC.org), (202) 315-9440. We will send you the Zoom invitation link.

**If you are new to zooming, please let us know. Email [Laura.Yeomans@CC-DC.org](mailto:Laura.Yeomans@CC-DC.org) and we will practice with you a few days before the webinar.**
