April 10, 2015

To the Sherburn and Welcome City Councils,

The department logged 203 calls for service for the month of April. This puts the total for the year at 557. This is virtually the same as 2014 and up from 2013. As we move into warmer months, I anticipate call volumes increasing more so it will be interesting to see what the next few months bring.

The average response time for the department for the month was 1 minute 30 seconds. This is right in the range that the department typically averages for the month. While some months are higher, we are usually right in the area so I feel our response time is excellent.

The city-wide tours were conducted last week in each community. Approximately 100 red tags were issued to residents in each community that had issues with their property. The property owners were given until May 4th to resolve their violations and avoid a citation. This date was chosen because it is after each community has their clean-up day which would be a good solution for many of those in violation of city ordinance. Most residents typically take care of their issue without a citation being issued.

Sincerely,

A handwritten signature in black ink, appearing to read "Brad L. Hughes".
