Message From FM #246

President Amy Berg, CBT, CIT

Happy New Year!!

We may not have had our usual White Christmas but we did awaken to welcoming 2015 in to our usual white ground cover and a cold blast!!

As we start the new year have you made your personal and professional resolutions and/or goals? What about your NAWIC goals? As a NAWIC member there are many opportunities available to you, do you know what they are? The first of many is your membership in the Chapter. Other opportunities include:

- ~ Committee Member
- ~ Committee Chair and/or Co-Chair
- ~ Board Member (Director of Officer)
- ~ Attending monthly programs
- ~ Presenting one of the monthly programs
- ~ Attending a Regional meeting (Forum and/or APC)
- ~ Attending the Annual Meeting & Education Conference (AMEC)

You can choose to become one of your chapter leaders or just make the commitment to be an active participant in your chapter. As Henry Ford said, "You don't have to hold a position in order to be a leader". Your input and participation in any of the activities in your chapter makes you a leader. Each thing you do helps you grow both personally and professionally while also learning more about NAWIC!

The Fargo-Moorhead, ND Chapter is working on a variety of events this year, one of which is the ongoing tours of the new Sanford Fargo Medical Center. We did our first tour in October, with our second one coming up on the 20th. Check out the monthly Membership meeting/program for more details about the other tours we have planned.

Please join me in watching this building and our chapter grow!

Amy Berg

Quote of the Month

Everyone is a Leader -

"Everyone is a leader, and everyone is leading all the time - sometimes in immediate, dramatic and obvious ways, more often in subtle, hard-to-measure ways, but leading nonetheless."

CAD/Design Drafting -

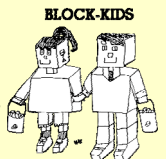

The 2014-2015 CAD/Design Drafting Problem and info is now available on the NAWIC Education Foundation website.

We have received applications from 2 students at Dickinson High School. Fargo South responded that they didn't have any students sign up for the drafting course this year - a first for the school.

Block Kids -

Introduces children to the construction industry in an effort to create an awareness of and to promote an interest in future careers in one of the many facets of the industry.

NOTE: All "blocks" shall be interlocking types of the "Micro" size 2, 4, 6, 8 and 10 posts.
(No "Duplo" size blocks).

BECOME AN NEF AMBASSADOR... Would you like to help promote NEF to all of the Construction Industry?

Ambassadors will receive:

- A **bronze pin** for completing **one** item,
- A **silver pin** for completing **two** items, and
- A **gold pin** for completing **three** items or more.

The criteria to become a NEF Ambassador and the nomination form are available on the NEF website at www.nawiceducation.org.
