1:30 Recess

1:45 Silent Reading(AR)/ 1:1 Reading interventions

2:15 Clean up/ Desks etc

2:24 Dismissal

Recess and PE:

PE is not a requirement this year, but we know movement is good for kids.

Kids must wear a mask at school during ALL school activities indoors or outdoors, except for eating and drinking.

Kids may play with members of their cohort in designated areas. They must be masked at all times and must wash hands before and after play times. All playground equipment must be disinfected after use. Cohorts may not share equipment between cohorts. Students may not use the bathroom while other cohorts are using the bathroom so please check before you let a child leave your classroom.

We will not use drinking fountains at school. Instead we will use water bottles. Please be sure your students bring a water bottle onto the playground.

Recess Procedure:

Line up students 6 feet apart.

Bring students out through the front door and around to the playground.

Have them maintain social distancing during play.

Have students remain in their designated play area.

Set an alarm for your end of recess time. We will not have bells. If an aide supervises please be at the door on time. I may need you to supervise your own class if an aide is absent.

Line students up 6 feet apart and return to class through the back door. Students must wash hands upon re-entering the building.

Parents on Campus:

Parents may not enter the building without an appointment. Parents should phone the office to make arrangements. All visitors must wear a face covering.

Bus:

Students will have temperatures checked before boarding the bus. Students must sit in assigned seats, no more than 2 to a seat. Phones allowed with guidelines.

Hybrid Days:

Monday/Tuesday: Cohort 1

Wednesday: Teachers meet with Special Ed Students and Scheduled Distance Learners. **Host 1 shared zoom MATH meeting with both cohorts at the usual morning zoom time.** Deep cleaning.

Thursday/Friday: Cohort 2

Preschool: M, T, and Th/F Wednesday SPED/Admin

Preschool parents should enter and exit through the back door to bring their child to school.

Aide Schedules

Celia

7:17 Ride North Bus(Temps/etc)

8:00 Clean hall bathrooms/supervise

9:00 Library Bus

9-9:25 1:1 Henry(M/T) and Russell(Th/F)

2:15 Escort PK and K-1 to buses (Make sure driver is on bus)*parent pickup wait in class

2:20 Escort 2-3 to buses and wait for South Bus departure

***Teachers I'm assigning the catch up aide time based on current missing assignments and grades. If any of those listed get completely caught up both on schoolwork and AR points for 2 WEEKS minimum, please let me know and we can shift things. Until they have a solid 2 weeks of good habits under their belts let's leave it as is and they can do AR until they hit two weeks of good habits.**

Also, I would LOVE to do a bike riding reward with 2 kids at a time. This could be based on work, grades, behavior. Let me know and we can schedule. I really don't want more than three and cannot do 1:1. Try not to give me more than 1-2 a week.
