DESCRIPTION: Iconic Bear recurve.
The Black Panther Hunter was similar to the Kodiak Magnum but without the fancy overlays; Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. 1 professionally filled screw hole on the back limb (see pic on p. 3). No chips, dings or cracks. A couple of faint superficial stress lines; no crazing. A few minor scratches and nicks here and there. Decals and medallion are in excellent condition. Overall, this is a really nice bow in excellent condition for its age. Note: A previous owner etched the specs into the riser (see pic on p. 5).
