#### AUDIT:

Dave Walker generally discussed the CPA & Associates audit and how it dovetailed with Menke & Company's audit, and the purposes for the same.

#### LICENSURES:

Justin Pieper discussed the individual gaming license and their renewals.

#### CONTRACT WITH CATFISH BEND CASINOS LLC:

Counsel for the Commission reported in response to a request made to begin discussion of the renewal of the contract between SIRRC and Catfish Bend and the response from counsel for Catfish Bend's, Gary Hoyer, letter. See Exhibit "C". Catfish Bend Casino has timely renewed the contract with SIRRC for a ten (10) year period. The result of Exhibit "C". A general discussion was held with respect to the suggestion that though the contract was extended, the contract as extended contains provisions which have been satisfied by the parties. The contract does not contain a provision with respect to allocations of revenue for sports betting from Catfish Bend Casinos to SIRRC. Rob Higgins reported that he would discuss this with Gary Hoyer and Gary would follow up with counsel for the Commission. Counsel for the Commission informed the Board that the renewal option had been timely exercised. However, recommendations were made to amend the contract to exclude provisions which have been historically satisfied between the parties and add a provision with respect to the Commission's share of sports betting revenue. Counsel was reminded that percentage was to be .75% of sports betting.

OTHER BUSINESS:

Dave Walker made a presentation that he received a statement dated April 13, 2022, from the Department of Public Safety, Iowa Division of Criminal Investigation reporting that there is a credit on the account for the Commission with the Division. See Exhibit "D".

A general discussion was held with respect to the date and time of the next quarterly meeting of the Commission. No decision was made with respect to the precise date and time but it was contemplated that a meeting would be held in July 2022. Justin Pieper would select a date and thereafter inform the Commission members and regular attendees of the proposed time and date.

ADJOURNMENT:

Steve Link made a motion to adjourn the meeting and was seconded from Kirk Brandenburg. The Motion to adjourn was passed by unanimous voice vote. The meeting was adjourned at 5:24 p.m.
